Coffee Vending Machine Description

- Instant Coffee Vending Machine.
- Soluble Milk.
- Button Operated.
- 8 Selections.

20l Water Barrel with Pump or Mains Water Connection.

The Sprint Instant delivers instant coffee based drinks fast and efficiently.

With five soluble cannisters, it is capable of providing drinks with all ingredients locked away inside the machine.

The sugar pre-select allows sugar choices to be made along with drink choice.

With a fifth cannister, why not add a latte powder like hazelnut or Bar-One an offer variability in drink choice.

This coffee machine is the perfect machine for offices where drink choice and economy are needed. Accepting either Ricoffy, Nescafe Classic or Jacobs Kruning, and having four other canisters for sugar, milk, hot chocolate, and a latte powder or even a decaffeinated coffee, it is a one-stop coffee station.

Enjoy:

- Coffee Black/ White
- Cappuccino
- Hot Chocolate
- Espresso Choc
- Hot Water with Milk
- Hot Water
